How to use the weekly books

Daily pacing

Each day contains 10 short practice pages. Use all 10 at once only when it remains productive. It is also reasonable to split them into two sessions.

Suggested flow

Pages 1-2: warm-up. Pages 3-6: focused practice. Pages 7-9: independent practice. Page 10: review and confidence check.

Checking work

Use the separate answer-key booklet. Mark items to revisit and keep the student's original attempt visible.

When to adjust

Slow down after repeated errors, fatigue, or frustration. Repeat an earlier page or use objects, drawing, read-alouds, and conversation.

Scope

These workbooks are supplemental practice. Pre-K learning should also include play, movement, conversation, read-alouds, and hands-on exploration.
